"Where the Church is a Family"

REVEREND Sিন্নnest T. WEBSTER, TEACHING PASTOR

GOD SPEAKS

1. _____ STARTS AS A SEED.

God said, "Let the land have seed-bearing plants and trees that bear fruit with seed in it, according to their varieties." **Genesis 1:11**

2. NOTHING HAPPENS UNTIL A _____ IS PLANTED.

Jesus said, "Unless a grain of wheat is buried in the ground, it cannot reproduce. But if it dies, it will produce much fruit." **John 12:24**

3. _____ I SOW IS WHAT I WILL REAP.

Do not deceive yourselves; no one makes a fool of God. You will reap exactly what you plant. **Galatians 6:7**

4. I'M NOT THE ONLY _____.

I sent you to reap where you didn't plant; others had already done work before you, and you will gather the harvest. **John 4:38**

5. I ALWAYS REAP IN A _____ THAN I SOW.

There is a time for everything, and a season for every activity under heaven... a time to plant and a time to harvest...a time to scatter and a time to gather... **Ecclesiastes 3:1-5**

6. I ALWAYS REAP _____ I SOW.

Some seed fell on good soil. It came up, grew and produced a crop, multiplying thirty, sixty, and even a hundred times. **Mark 4:8**

7. I CAN _____ MY HARVEST BY PLANTING MORE SEED.

Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each one should give what he's decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. **2 Corinthians 9:6-7**

8. THE TIME TO START PLANTING IS _____.

Those who wait for perfect weather will never plant seeds; and those who look at every cloud will never reap a harvest. **Ecclesiastes 11:4**

9. TO REAP THE _____ I MUST BE PATIENT AND NOT GIVE UP.

This is what the kingdom of God is like: A man scatters seed on the ground. Night and day, whether he sleeps or gets up, the seed sprouts and grows, though he does not know how. All by itself the soil produces grain--first the stalk, then the head, then the full kernel in the head. **Mark 4:26-28**

We must not become tired of doing good. We will reap a harvest at the right time IF we do not give up! **Galatians 6:9**

GOD INVITES

Dear God,

I have learned some new things about how the universe operates today. I realize that everything starts as a seed. It may be a word. It may be a seed of money. It may be a seed of energy. It may be a seed of reputation. It may be a seed of wisdom. That nothing happens until that seed is planted. Help me to remember when I start to speak that I'm always going to reap more than I sow. Make sure that it's good seed that comes out of my mouth. Help me to realize that I can increase my harvest by planting more seed. Lord, I want to learn to be financially generous more every year of my life. I want to give away more every year. I don't want to be stingy. I want to be generous. That's scary to me but I want to learn to trust you. And I have to admit, Lord, that I have been too afraid to tithe. And I've been too afraid to give away my love to some people. And I've been too afraid to show who I really am to others. Help me to realize that the time to start planting is right now. There are never going to be any perfect conditions. I'm going to start planting today. I want to plant in the morning and the evening and every day I want to look as I go out to work or to school and I just want to be a seed planter everywhere I go. While I'm waiting help me to be patient and not give up. To claim the promise that we must not become tired of doing good but we will reap harvest at the right time if we do not give up. Jesus Christ, I need you to be the manager of my life – finances and everything else. I want to love you and trust you and I want to obey your laws even when I don't understand them. I pray this in Jesus' name.

Amen.
