# GOD SPEAKS

We know David was chosen by God, even though he was an unlikely choice. And with God's help, he defeats Goliath in battle with only five smooth stones and a sling. There were certain things David did to make his effort successful. And, if we can understand what David did, we will be better equipped to defeat the giants in our life as well.

## 1. \_\_\_\_\_ THE NOISE.

<sup>33</sup> And Saul said to David, "You are not able to go against this Philistine to fight with him; for you *are* a youth, and he a man of war from his youth." (1 Samuel 17:33)

## 2. \_\_\_\_\_ WHERE YOU'VE BEEN.

<sup>34</sup> But David said to Saul, "Your servant used to keep his father's sheep, and when a lion or a bear came and took a lamb out of the flock, <sup>35</sup> I went out after it and struck it, and delivered *the lamb* from its mouth; and when it arose against me, I caught *it* by its beard, and struck and killed it. <sup>36</sup> Your servant has killed both lion and bear; and this uncircumcised Philistine will be like one of them, seeing he has defied the armies of the living God." (1 Samuel 34-36)

## 3. \_\_\_\_\_ THAT HE NEEDED.

<sup>38</sup> So Saul clothed David with his armor, and he put a bronze helmet on his head; he also clothed him with a coat of mail. <sup>39</sup> David fastened his sword to his armor and tried to walk, for he had not tested them. And David said to Saul, "I cannot walk with these, for I have not tested them." So David took them off. <sup>40</sup> Then he took his staff in his hand; and he chose for himself five smooth stones from the brook, and put them in a shepherd's bag, in a pouch which he had, and his sling was in his hand. And he drew near to the Philistine. (1 Samuel 17:38-40)

# GOD INVITES

It's powerful to start believing you already have all you need.

There are a lot of us here today who feel trapped in an endless loop of white noise. There are too many voices, too many options, too many experiences of shame - regret- and defeat for us to confidently move ahead in all God has for us.

If that sounds like you today, then I encourage you to do all you can to shut out the other things and simply focus on God. Try to have, like David did, a singularly focused mind on the power and majesty of God. Try to become a person after the very heart of God.

And lastly, all of us need to stop looking at everything everyone else has access to and we need to focus on what God's given us to work with. You have gifts that are individual and unique to you. . .maybe it's time to pick them up and head into the victory God has for you.

You already have all you need.
