## GOD INVITES

What does my personality indicate about the type of job and ministry God wants me to have?

What kind of personalities might God bring into my life in order to give me balance?

Lord,

Help us discover and develop the shape that You've given to each of us, the design, how You've formed and crafted and fashioned and made each of us unique and for a purpose.

I pray that individually and collectively as a church that self-esteem will rise and people will find new success in life and find significance and meaning and satisfaction from being what You meant for them to be all along. I pray this in Jesus' name.

Amen.
