# GOD INVITES

The call is very simple and yet most never respond. Are you concerned with the current state of the church? Do you sense the need for action on our part? Are you willing to follow Jesus and allow Him to equip you to reach those in need? We need obedient disciples to reach the unsaved and invest in the lives of young believers.

You can't become a fisher of men apart from salvation. If you have never been saved, Jesus died for your sin and wants to save you today. He seeks those who realize their need for salvation, responding to Him by faith alone. If He has spoken to you, come to Him today!

# DIVING DEEPER

- Think of the moment when you chose to follow Jesus. What did you understand about what it meant to be a believer?
- What are some of the characteristics of Jesus that God has been developing in you?
- How do you want God to work in your life? Take some time to pray and ask God to grow you in these areas — and for trust and patience as he does it in his time.
