### **GOD SPEAKS**

Four principles in how to live "until" our situation improves. In teaches us to be obedient where we find ourselves.

## **GOD INVITES**

The faith you have is enough to get started. Jesus said you need faith only the size of a mustard seed to move a mountain. Do you only have baby faith? Then take a baby step. When you do, your faith will grow for the next step.

Take your first baby step today. And another one tomorrow. And as you keep going, you'll start to discover God's dream for your life and the incredible adventure he has waiting for you.
